

Doreen Sullivan

Creativity In Motion

"Her ideas are one-of-a-kind, life changing and full of passion! With her creativity in motion company Post No Bills in Columbia, South Carolina, Doreen Sullivan always looks at what people don't see. Doreen puts people, things, and ideas into a one funnel approach giving a campaign the legs it needs to be successful. Post No Bills is a vivacious creative agency that is constantly learning, growing and handling any project that walks their way"

*Geena Mongole, Public Relations
University of South Carolina*

Lecture Topics

Distancing Yourself From The Masses

In a world of non-stop advertising, it is easy for your company's message to get lost in the clutter. Doreen believes that every problem has a creative solution, and explains to the audience how to come up with a different and refreshing way to market their product to ensure that they separate themselves from the noise

Traditional and Non-traditional Media

In a world of non-stop advertising, it is easy for your company's message to get lost in the clutter. Doreen believes that every problem has a creative solution, and explains to the audience how to come up with a different and refreshing way to market their product to ensure that they separate themselves from the noise

Using Your Creative Eye: How to See What Others Don't

In a world of non-stop advertising, it is easy for your company's message to get lost in the clutter. Doreen believes that every problem has a creative solution, and explains to the audience how to come up with a different and refreshing way to market their product to ensure that they separate themselves from the noise
